Make do and Mend

Make your own Crown with these simple steps!

<https://www.creativejewishmom.com/2011/05/fancy-toilet-paper-tube-birthday-crowns.html>

STEP 1: Use old toilet rolls to make a crown! Cut the top into zig-zag shapes.

STEP 2: Decorate as you please!

STEP 3: Poke some thread through the bottom to create a support for round your neck.

STEP 4: Ta-da! You're done!

More to Come...

Join Queen Wicked further
on in the week for more
spectacular activities!
