

# CAN'T STOP THE CLEANING!

I get this feelin' inside my bones  
It goes electric, wavy while I'm stuck at home  
All through my castle, in every room  
I feel the need to be busy and pick up the broom

I've got that Febreze in my pocket  
Got that Hoover round my feet  
Scrub the dishes in the kitchen, I can't stop  
I can't take my eyes up off it, all the things I need to make neat  
Dust the tv for the 5<sup>th</sup> time, I can't stop.

I try to relax let everything go  
Just watch Netflix and enjoy a show  
A speck of dust and I already know  
I have to get it

Nothin' else to do in lockdown but just clean clean clean yeah  
Buff the worktops until I see them gleam gleam gleam yeah  
Everytime I sit down I'm back up and I clean clean clean yeah  
Look at all the castle rooms all shining

I can't stop the cleaning  
I just scrub scrub scrub  
I can't stop the cleaning  
I just scrub scrub scrub yeah
